

Crawford Livestock Market

Market report for Friday, September 24th, 2021. We sold a total of 1881 head consisting of roughly 246 weigh up cows and bulls and 1635 yearlings and spring and fall calves. The weighup market was steady to stronger this week. The thin, low yielding cows were stronger at \$63-\$85.50. The better feeding cows were \$57-\$80 and the heavy fleshed fat cows brought \$64-\$77. The main cut of 1500#-2000# bulls brought \$82-\$89. We had an extremely limited test of heiferettes this week. After lunch we sold the yearlings and calves. We sold 57 head of nice, home raised 1030# steers at \$152.50. On the calves we had 2 results in the top 25 in the nation for the day with 110 steers weighing 470# bringing \$185, and the heifer mates with 110 head, weighing 446# brought \$166. Overall, being a limited offering and this early it is tough to determine a market direction.

Next week is the official kick off of the Fall run. We will have our weighup sales on Thursdays and special calf sales on Fridays, we are expecting 6,000-6,500 head for our first October sale.
