

September 21st was a sunny day where buyers and sellers gathered at Crawford Livestock Market to see 89 of the highest quality horses the Tri-State area had to offer. Lot 1 in the Catalog, consigned by Cody Scherbarth topped the sale at \$4,900 purchased by Lloyd and Micki Votruba. Mike Chinn consigned a nice 5 year old bay gelding, Lot 8, that brought \$4,700 purchased by Dan Chesley. The top horses averaged \$4,400. Top selling open riders were \$2,500-\$3,000. Top selling riding prospects were \$1,000-\$1,300. Loose horse market stayed steady with a range of \$48-\$63/cwt. Thank you to everyone who came out for the Legend Buttes Horse Sale. Look for the next one in the spring of 2020.
