

# Crawford Livestock Market

Market report for Friday, March 5<sup>th</sup>, we sold a total of 2,955 head with 328 weighup cows and bulls with the rest consisting of feeder cattle. Top end of the cows were \$70-\$78.50. Next cut of cows \$61-\$67. Lower yielding cows went for \$52-\$57 and the really thin, shelly cows brought \$42-\$47. Upper end of the heiferettes were \$95-\$104. Had a good run of bulls ranging from \$78-\$85.50.

The feeder market activity was over all steady to stronger on the lighter, green feeding cattle but the big, heavy cattle were softer as the folks in the feeding end of the industry are having a tough time turning a profit with the offerings from the packers. However, our in house buyer participation was strong and we had a tremendous support from our internet bidders.
