

CRAWFORD LIVESTOCK MARKET REPORT

FRIDAY, MARCH 23 – WEIGHUP SALE

We sold 384 head of butcher cows & bulls. We didn't have a sale last week so no trend will be given, but it looked a couple dollars higher. Bulk of the cows \$64-\$69.50. Few high yielding cows at \$71-\$78.50. Low yielding cows \$55-\$63.50. Bulls \$91-\$97. Low yielders \$84-\$89.50. Hfrettes \$85-\$100. Young feeding cows \$78-\$84.00. We also had the Sellman Ranch Annual Performance Bull Sale. A real nice crowd on hand for that sale.

Thanks For Selling The Auction Way!!
