

Crawford Livestock Market

Market Report for Friday, April 16, 2021. Total receipts 3,161. We sold roughly 200 weighups. The market was \$1-\$3 stronger than last week. Top end of the cows were \$72-\$77. The next cut of cows were in the upper \$60's spiking all the way to \$80! Big, fleshy cows were \$71-\$77 on a limited test. Thin, low yielding cows were \$52-\$57. Bulls continued to be strong mostly at \$85 to \$98 with the best end bringing \$103. Heiferettes once again were from the mid \$80's up to \$111 on a small test. We had a nice attendance for the feeder sale in spite of being in a winter storm warning. Excellent on-line bidding and many of our feeders were purchased via the internet. We thank everyone for making it to town this week and look forward to next week!
