

Total receipts of 1074 head. The weighup market was steady to a dollar lower than the week before, better end of cows \$59-\$66, next cut \$51-\$58 & low yielding cows \$42-\$50. Minited test on young cows but some at \$97-\$100. Yearling market was very thin. Bulls \$75-\$85 with cutting bulls ranging from \$81.50-\$99.

Nice crowd on hand for the bred cow sale with good interest despite the continued dry conditions. Demand was good in the stands and steady interest on the internet.
